

Dynabook Adjustable Laptop Stand

Work with ease

Laptops are a necessity in the workspace, but they don't always offer the most comfortable viewing position. This can easily be fixed by using a laptop stand, like this model from Dynabook that's able to hold laptops up to 17". Venting holes also enhance heat dissipation, keeping your device cool and safe.

Foldable, space-saving design

Adjustable height
and angle – up to 90°

Non-slip silicone pads on panel
and bottom to ensure stability
